

Security Officer

24 January 1952

Legislative Counsel

Delivery of classified information to the  
Joint Committee on Atomic Energy.

1. The attached correspondence is self-explanatory  
and you may be interested in reviewing it.

2. The only exception which I would note is that we  
occasionally hand classified material directly to the Chairman  
of the Committee, Senator Brien McMahon, who personally  
signs the receipt for the material. Under those conditions  
Mr. Borden is usually present or I notify him of the delivery.

3. Will you kindly return the enclosures to me with  
whatever comments you may care to make.

Walter L. Pforzheimer
